ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Membership Savings, Shares II, Nova Money Market,

A+ Money Market, Capitol Money Market, Superior Money Market, and Dividend Bearing Checking accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual

percentage yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. Capitol Money Market and Superior Money Market accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For tiered accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.

2. SUPERIOR MONEY MARKET — The Superior Money Market account is a tiered rate account. If you meet the minimum qualifications requirements during the monthly qualification cycle, the first dividend rate and annual percentage yield listed in the Rate Schedule will apply if your balance is from \$25,000.00 and below. The second dividend rate and annual percentage yield listed for this account will apply if your balance is \$25,000.01 or greater. To meet the minimum qualification requirements, you must: 1) have an aggregate of \$500.00 in direct deposits (either PPD or CCD); 2) be enrolled to receive e-statements. The monthly qualification cycle is defined as the period beginning one business day prior to the first day of the current statement cycle through one business day prior to the close of the current statement cycle. If you do not meet all of the qualification requirements during the monthly qualification cycle, the third dividend rate and annual percentage yield as listed in the Rate Schedule will apply to the entire balance in your Superior Money Market account. One Superior Money Market account is allowed per membership.

3. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

4. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

5. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.

6. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the

minimum required share(s) in a Membership Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Nova Money Market, A+ Money Market and Dividend Bearing Checking accounts, there is a minimum daily balance required to avoid a service fee for the month. If the minimum daily balance requirement is not met during each day of the month, you will be charged a service fee as stated in the Schedule of Fees and Charges. For Nova Money Market, A+ Money Market, Capitol Money Market, and Dividend Bearing Checking accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule, dividends are calculated by applying a daily periodic rate to the principal in the account each day.

7. ACCOUNT LIMITATIONS — For Membership Savings, Shares II, Nova Money Market, A+ Money Market, and Capitol Money Market accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. For Nova Money Market, A+ Money Market, and Capitol Money Market accounts, you will be charged a fee as disclosed in the Schedule of Fees and Charges for each withdrawal in an amount less than \$100.00. For A+ Money Market and Capitol Money Market accounts, you will be charged a fee as disclosed in the Schedule of Fees and Charges for each withdrawal in an amount less than \$100.00. For Superior Money Market, Non-Dividend Bearing Checking and Dividend Bearing Checking accounts, no account limitations apply.

8. FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or

paying a check, draft or item. You may consult the Membership and Account Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fees and Charges for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.
